Brentwood and Richmond Heights Cooperative Car Wash

BRENTWOOD & RICHMOND HEIGHTS, MISSOURI (March 23, 2016) –

In 2015, the City of Richmond Heights approved the construction of a multi-family residential project along the northern side of Eager Road. This parcel formerly known as Manhasset Village was demolished in 2005. There had always been plans by the parcel owner Draper and Kramer, Inc. to rebuild a multifamily residential project in its place. Holland Construction Company was selected to oversee the design and construction of the project.

Mayor Chris Thornton, City of Brentwood, Missouri and Mayor Jim Beck, City of Richmond Heights, Missouri have engaged in discussions with Holland Construction on how they may continue to be of assistance to affected residents during the construction phase. Both Mayor Beck and Mayor Thornton asked Holland Construction to offer assistance with car wash coupons during the construction.

Holland Construction has responded with their generosity of car wash coupons.

The City of Brentwood City Administrator's Office will distribute the carwash coupons to those affected residents.
