LUNCHESES

Children should bring a non-perishable lunch and drink. There are NO refrigerators available for lunches, so please bring food that requires NO refrigeration. Please clearly label all bags, lunch boxes, thermos bottles, etc. with child's name. Campers are active at camp, we suggest you include a snack for throughout the day.

WHAT TO WEAR

We recommend light colored play clothes, hat, socks, and a pair of good tennis shoes. Please NO sandals or open-toed shoes! On field trip days wear your camp T-shirt. Campers may get messy, old clothes are recommended.

CAMP MOVES TO THE HEIGHTS - SESSION 8

Imagination Station and Young Explorers will be moved to THE HEIGHTS for session 8. Camp will still go to MFAC for swimming. We will be spending more time outside, make sure you bring sunscreen and water bottle.

SWIMMING

- Campers may wear swimsuits under clothing or bring along a swimsuit on swim days.
- Campers swim Tuesday and Thursday afternoons.
- Imagination Station Campers will swim at the Maplewood Family Aquatic Center.
- A staff member at the pool will go over with the group the pool rules and will administer a **deep water test** for those campers who want to swim in the deep water. Campers will be given a bracelet to wear at the pool; the color of this bracelet will indicate to staff/lifeguards which area your child is able to swim.
- Campers must be **48"** to go down the water slides. Swimsuits with rivets or zippers are prohibited.
- **Sunscreen Policy:** Please apply sunscreen to campers before checking in for the day. We are unable to apply sunscreen, but encourage the campers to reapply. It's always good to send some extra sunscreen with your camper.
- Camp Counselors are stationed in the pool and regularly swim with the campers.
- All campers will be allowed in the recreational pool. On Tuesdays campers will be given the opportunity to take a swim test to check their swimming ability by certified MFAC lifeguards. If a camper passes the swim test they will be allowed to swim in the deep end, for the entire summer.
- A swim test consists of diving off the diving board, swimming to a MFAC lifeguard and treading water for 30 seconds. If you have concerns about your camper swimming please feel free to speak with the camp director.

GROUP ASSIGNMENTS

Campers are grouped by age. On the camper information form, completed at registration, you had an opportunity to request your camper be grouped with a friend. We will do our best to accommodate requests, but cannot guarantee that all will be met. It is difficult to pair campers that are not the same age.

Junior/Senior Group Assignments: Once campers are placed in a group that group will be placed in a larger group. Younger groups will be placed in the Junior group; older campers will be placed in the Senior group. These groups will help determine age appropriate activities, swim day and Field Trip days. One Camp Director will be assigned the Juniors and one will be assigned the Seniors. Camp Directors are available to answer questions at drop off and pick up.

FIELD TRIPS

Field Trips are scheduled Wednesdays or Fridays. Information on the field trips will be included in the newsletter. **Reminder: Send your camper in the Camp T-shirt on field trip days. This helps us identify campers and increases safety.**

LOST & FOUND

All items turned into lost and found are held for two weeks. After such time they will be removed and donated to a non-profit agency. **Please remember to label all items** that your camper brings to insure those items are returned. We will have all lost and found items displayed at camp for you to locate any lost items every Friday. Advise your camper's counselor immediately when an item is lost or missing.

SPECIAL ARRANGEMENTS

Special arrangements for your child to arrive late or leave early can be accommodated with an advance written/e-mailed note; including time the child needs to leave and who will be picking them up. If the person picking up the camper is not on the authorized pick up form they will need to let their camp counselor or camp directors know in advance. When the person picks up their camper they will have to present their driver's license. On some occasions, such as field trip day, special accommodations may not be possible. Please strive to be on time as we start activities promptly at 9 a.m.

SPECIAL NEEDS

PARC encourages the participation of people with disabilities in our programs and services. Please let us know how we can best meet your needs, (i.e., sign language interpreter, facility accessibility) as we will fully comply with the Americans with Disabilities Act (ADA) in making reasonable accommodations to facilitate your participation. This information is available in alternative formats upon request. Staff may request a copy of your child's IEP. PARC does not provide personal services such as: feeding, toileting, or changing of clothes.

MEDICATION POLICY & PROCEDURES

Campers are not permitted to have medications of any kind in their possession during camp. We urge parents to check with their camper's physician to see if alternate medicines can be given at home. Our preference is that our staff not be responsible for assuring campers take medication(s). However, if a camper does require medication, including asthma inhalers or EPI pens during camp hours, medications will be given in accordance with our policies. Parents must provide a letter from the prescribing physician stating the diagnosis and confirming the need for medication during camp hours. Included in this letter must be the physician's prescription for all, even over-the-counter medication the camper will be taking at camp. Any changes in medication, dosage, or time must be documented in writing by the prescribing physician. These required documents (including the release form) must be brought to Kate Whaley at THE HEIGHTS, 8001 Dale Avenue, Richmond Heights, MO 63117 before the camper's first day of camp.

Discipline

Here at Imagination Station Day Camp we are aware that there will be a day when every little angel will need to have a halo adjustment. We want to resolve any conflicts quickly and keep your camper involved in activities. ON OCCASION a time-out may be necessary to give a camper a chance to regroup. If necessary, a camper may be removed from an activity. You will be notified of any serious or persistent problems with your camper. If serious problems cannot be corrected, you will be asked to remove your camper from camp.

**All policies and procedures apply to Young Explorers
and Imagination Station**

Young Explorers

Your Explorer will enjoy this exciting camp for pre-schoolers, ages 3-5, who are potty trained. Daily activities will include water play, crafts, games, story time, and snacks. Please send your campers in swim clothes on Tuesdays and Thursdays.
