Sole Shine Barefoot Massage Therapy

Where to Find Them at Let Them Eat Art:

Sutton Loop Park
2800 Sutton
6-9 PM

About the Sole Shine Barefoot Massage Therapy:

Sara Newberry discovered a type of bodywork called Ashiatsu DeepFeet Bar Therapy® and was convinced this was the best type of massage therapy she had experienced! Because she can be above the client, just the right angles allow her to balance both sides of the body. She believes this sends a message to the brain to relax and release to a very deep level. Utilizing her soft, clean feet combined with her body weight, Ashiatsu provides a deep and consistent pressure. The consistent pressure allows you to relax into the massage and allows your mind and body to continue in it's relaxed state for the duration of the massage and beyond!
